FISCAL NOTE ANALYSIS

STATE OF ALASKA
2018 LEGISLATIVE SESSION

Analysis

SB 4 authorizes the Board of Barbers and Hairdressers to issue a license to a person applying for a limited barber license for non-chemical barbering. The bill authorizes the board to limit the training curriculum for a limited barber license to non-chemical barbering.

In addition, this bill authorizes the board to issue a license to a person for hair braiding and removes the Department of Environmental Conservation from shop and school inspections for barbering, hairdressing, hair braiding (new), manicuring, or esthetics, and requires the board to adopt regulations regulating the cleanliness of shops and schools for those vocations.

If the bill passes, the division will require \$3.6 to cover legal costs to amend regulations, printing, and postage in the first year.

Professional licensing programs within the Division of Corporations, Business and Professional Licensing are funded by Receipt Supported Services, fund source 1156 Rcpt Svcs (DGF). Licensing fees for each occupation are set per AS 08.01.065 so the total amount of revenue collected approximately equals the occupation's actual regulatory costs.
